Principal's Message

NEWSLETTER NO 6

APRIL 4 2014

Dear Parents and Guardians

Term One is all but over and it has been a truly exceptional period of time at Kambrya College with so many positives and highlights. Our teachers have spared no effort in being thoroughly prepared to "Maximise the Potential of each Student". May I thank all parents and guardians for their amazing support for our college and all the work undertaken to prepare their child/ren to make the most of their opportunities at school.

Winter Uniform

Please check the attached winter uniform requirements which come into effect from the beginning of Term 2 (Tuesday 22 April). It is important to notice that all students are required to wear their *school tie* from this date. Detentions will be issued to students for not being in correct uniform.

Working Bee

The annual autumn working bee took place last Saturday morning and once again it was a great success. Two new plantations were established; one adjacent to the hard courts and the other next to the Auto Centre. Pin oaks, crepe myrtles and ornamental pears and a range of natives including bottlebrush and tea tree were planted. Many thanks to the seventeen members of our school community that gave up their time to contribute – seven parents/friends, three students and seven staff members. Special thanks to Rob Swebbs from "Men at Work Excavations", for his very generous input. Rob had his excavator on hand to break up the hard earth (Berwick clay!) and save a great deal of hard work. The new plantations will help to beautify college grounds for generations of students to come.

Acting Principals – Term 2

As a result of being encouraged to apply for a temporary Senior Advisor position at the South East Victoria Regional office of DEECD, I will be away from my duties at Kambrya College during term 2. I will be working to support approximately 70 schools in the Casey North (and Dandenong) area. This will provide me with further insights into effective schools and best practice that may be useful for our school. Hopefully, I will also be able to share the valuable lessons on improvement that we have learned at Kambrya College over the past few years. We are fortunate to have two very able and experienced Assistant Principals to step up as Acting Principal in my absence – Ms Joanne Wastle (first half of Term 2) and Mrs Nalini Naidu (second half of Term 2). I will certainly be keeping in regular contact with Ms Wastle, Mrs Naidu and Mr Perry during this time.

Best Wishes to all for a safe and relaxing term break and a Happy Easter!

Michael Muscat
Principal
