### Principal's Message

Dear Parents

We come to the end of a very productive and successful Term 2, 2012. There are so many positives to reflect upon. Our student body, as a whole, have been outstanding young citizens who are taking up the many challenges in their learning program. Our staff are extraordinarily hard working and have a great deal to show for their amazing efforts. The Day of Celebration on 25 May for Kambrya College's 10<sup>th</sup> Anniversary was a memorable and uplifting occasion. Our work in building new relationships with schools in China is progressing with speed and great promise.

May I take this opportunity to thank our students and teachers on these successes. Any many thanks also to our parent community for their continuing solid support for our College.

Best wishes to all for a safe and enjoyable winter break.

**Michael Muscat**  
**Principal**
