

Dear Parents and Guardians,

As many of you know I have been at Kambrya College since 2003; 15 years this year. During this time I have seen the college develop as a thriving centre for secondary education, culminating this year with our strongest NAPLAN results ever. As new opportunities present for the school, so they do for staff within the school. One such opportunity came to my attention recently, and I made a decision to apply for the position of Principal of Glen Waverley Secondary College. I was recently advised that my application for the position was successful, as such I am resigning from my position at Kambrya College at the end of 2017. Whilst I am very much looking forward to embracing this opportunity, I am somewhat sad that this means that I will no longer be working directly with the local community of Kambrya. I am however assured that Kambrya is well placed to continue the amazing work that it so diligently values and upholds. Kambrya continues to go from strength to strength and I feel confident that this will not change. I would like to thank you all for the opportunity to work with you over the years. The appointment of the new principal will be announced prior to the end of the year, meanwhile I look forward to continuing to lead the school until the end of the year.

Kind Regards

Jo Wastle
Principal
